

# Alternative Christmas 2020

Are you wondering what to buy family or friends for Christmas?

Here is a way you can give to the poor of the world in honor of your loved one instead of purchasing a material gift.

You can select a mission project for your donation, then send your loved one an insert explaining what was given in their honor. Gifts that benefit others honor the birth of Jesus and show your concern for the children of God.

All donations to UMC missions and UMCOR go 100% to the intended cause.

Just fill out the shopping list below with your selection and send the shopping list and your check to the church. Information slips explaining the mission project and inserts for your Christmas card are provided. Just cut out your selection.

God bless you for your generosity in this time of great need.
